The Examiner advised Applicant and Applicant's representative that the amended claims narrowed the focus of the invention and may distinguish over the prior art of record; however, an additional prior art search must be conducted by the Examiner before a decision on patentability is rendered by the Examiner. Also, a proposed declaration of Applicant sent via facsimile to the Examiner was discussed. A formal declaration was also sent via facsimile and is not received by the Examiner at the time of the creation of this summary.

(A fuller description, if necessary, and a copy of the amendments which the examiner agreed would render the claims allowable, if available, must be attached. Also, where no copy of the amendments that would render the claims allowable is available, a summary thereof must be attached.)
